

## NEW TRAFFIC SIGNAL AT 116<sup>TH</sup> STREET & KROGER MARKETPLACE

Drive Fishers is the City of Fishers' initiative to increase travel efficiency, improve connectivity and maintain the sanitary sewer and water infrastructure via innovative projects and a proactive approach to construction and maintenance.

Since 2012, Fishers has completed traffic calming projects, sanitary and storm sewer projects, 29 resurfaced lane miles of streets, installed 6.5 miles of trails and sidewalks, and received more than \$60 million in grants, improving the infrastructure in Fishers while leveraging federal dollars to save money for the Fishers' taxpayers.

Infrastructure improvement projects contribute to the long-term vitality of our community and increased economic development opportunities.

### PROJECT SCOPE

An intersection improvement project is scheduled for spring of 2017 at the intersection of 116<sup>th</sup> Street and Lakeridge Drive, the entrance to Kroger Marketplace near Olio Road. Currently this intersection is a two way stop for traffic on Lakeridge drive and the Kroger Marketplace parking lot. Improvements will include a new four way traffic signal with protected left hand turns for motorists traveling either direction on 116<sup>th</sup> Street making a left into nearby businesses. Crosswalks and pedestrian signals for improved pedestrian connectivity and safety will also be included.

Once construction has begun, updates about this project will be posted on weekly construction updates or via the Drive Fishers Twitter page. Citizens can sign up for weekly construction updates by visiting [www.Fishers.in.us](http://www.Fishers.in.us) and clicking on Fishers Alerts.

### PROJECT OVERVIEW

**PROJECT STATUS:** Construction Beginning Soon

**BID DATE:** October 2016

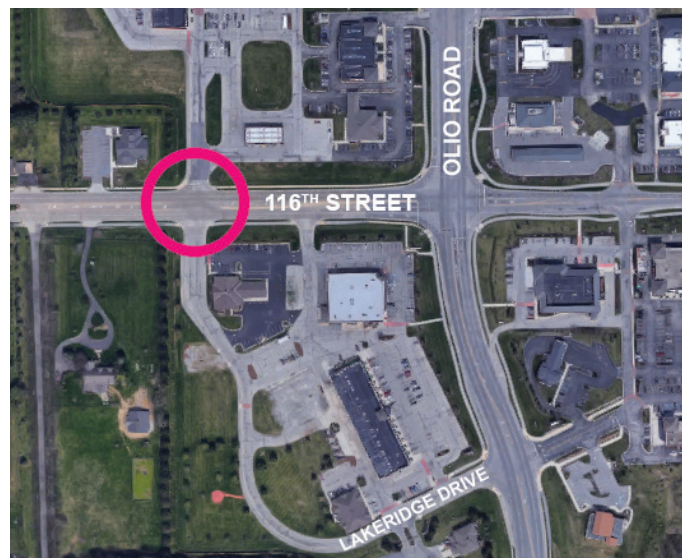

**ANTICIPATED CONSTRUCTION PERIOD:** Spring 2017

**DESIGN CONSULTANT:** Morphe Construction

**ESTIMATED PROJECT COSTS:** \$400,000

**PROJECT BENEFITS:**

- Improved Pedestrian Safety & Connectivity
- Protected Left Hand Turns for Motorists Traveling on 116<sup>th</sup> Street

LOCATION OF THE NEW TRAFFIC LIGHT
