Emily Bowman discussed the fence- Planning will confirm with Engineering if its in the ROW. Megan Vukusich noted that the City is managing the SR 37 project. Shawn Curran confirmed glass doors.

After Committee discussion, Mr. Stevenson asked for a Motion. Pete Peterson made a Motion to approve, with the condition of using glass doors, seconded by Emily Bowman. The Motion was approved, 5-0.

b. Parkview Towns- 13646 E. 134th St. -PUD-22-19

Bre King presented the Staff Report. In 2021 this was called Parkside Towns at Saxony Sec. 2. There are 4 buildings. It is proposed that it will have its own HOA.

Staff foresees issues with Colonial vs. modern architecture next door and with two HOA's, and recommends denial. We ask that the Petitioner continue to work with Staff.

Tony Bagato with Lennar would prefer one HOA. Lennar has not been successful with the Saxony organization. Lennar believes that most of Saxony is Colonial and that these are compatible.

Emily Bowman believes that the shutters, gables and keystones look dated. Pete Peterson suggests improving on the architecture. Just denying this will just kick the can down the road. If a majority is no to this, continue it. Mr. Stevenson agrees with Emily Bowman and Megan Baumgartner. Megan Vukusich will reach out to Stevenson, Baumgartner, Curran, Peterson, and Bowman to discuss next steps.

Pete Peterson made a Motion to Continue, seconded by Emily Bowman. The item is Continued. There was no vote.

After Committee discussion, Mr. Stevenson asked for a Motion. Mr. Peterson made a Motion to approve as presented by the Petitioner, seconded by Mr. Curran. The Motion was approved, 3-0.
