## Employee Spotlight

### Hatem Mekky

- **How long have you been employed by the City of Fishers?**
  - Since November 2017.
- **What is your title and job responsibilities?**
  - Assistant Director of Engineering - I manage the capital project program, identify potential future improvements around the City, and assist in developing the City standards to match the changing current construction practices. I also help in anyway I can with the day to day work around the office.
- **What was your first job?**
  - Cashier at my Uncle's deli shop. I had a great time learning all the shop talk and how to yell orders to the meat guy in the back.
- **What is your favorite movie?**
  - The Departed and anything with Leonardo DiCaprio.
- **What is your favorite TV show?**
  - Friends and That 70's Show.
- **What is your favorite band/musician?**
  - 1980's Metallica for sure and The Prodigy.
- **What's an interesting fact about you?**
  - I went to school in 4 different countries growing up. I also love watching and playing soccer. If I could, I would do that 7 days a week.
- **What is your favorite thing about working for the City?**
  - My favorite thing is helping the residents of Fishers anyway possible by improving the City's infrastructure and being able to make their commute a little easier every year. I also enjoy the working environment in our office and how we are all a tight knit group and look out for each other.
