

To access immunization records,

1. Click <https://www.in.gov/access/available-services.html>
2. Scroll down till you see this (for now it is located in the left middle corner of various icons- please note the location of this icon may change)

3. Scroll back up, you should see this on the left corner of the screen, click on "Login to application"

4. It should take you to this link <https://access.in.gov/signin/>
If you don't have an account sign up. If you do have an account sign in.
5. Once you sign-in, it asks :First and last name, DOB, Home Zipcode
6. Fill the required information and you should have access to your records. Please try these steps out if you aren't familiar with this portal to better understand the process.
