

ROAD NOTICE UPDATES FOR THE WEEK OF MARCH 27

- While this list encompasses numerous closures in Fishers, it does not list all DPW projects throughout the city.
- All construction activities are weather permitting and could change.
- Plan for extra travel time in construction zones and drive distraction free.
- Find more details about the Hands-Free Indiana law [here](#) that took effect July 1, 2020.
- We appreciate motorists' patience and caution while driving through construction sites.

STATE ROAD 37 IMPROVEMENT PROJECT

To learn more about the State Road 37 Improvement Project and sign up to receive text updates, visit 37Thrives.com

STATE ROAD 37 AND 141ST STREET

A pre-construction phase at SR 37 & 141st Street is currently in place. During this phase, 141st Street will be a Right-In-Right-Out (RIRO) traffic configuration. This is not the permanent configuration. This will allow for traffic to flow more freely along SR 37 until the next phases of construction can be activated. This will eliminate backups along SR 37 that have caused dangerous stops to the free flow traffic and backups on the 146th Street interchange. Again, this is not the permanent configuration for 141st Street. The full timeline for the 141st Street interchange will be provided after project bids are accepted in the Summer of 2023. View detour routes [here](#).

CLEAR PATH IMPROVEMENT PROJECT

To learn more about the Clear Path Improvement Project and sign up to receive text and email updates, visit clearpath465.com

I-465 & I-69

Drivers will see an increase in construction along the I-69 corridor in the coming months. This work will focus on reconfiguring the interchange at I-465 and I-69. New ramps will provide direct movements from eastbound I-465 and northbound I-465 to northbound I-69. Binford Blvd. will also be reconstructed to separate local traffic from traffic entering and exiting I-69 and I-465. Access to I-69 from Binford Blvd. will remain open. Drivers can expect to see significant activity on I-69 at the 82nd Street interchange.

PROJECTS NORTH OF 116TH STREET

CUMBERLAND ROAD

There are daily lane closures currently on Cumberland Road, just south of 126th Street for sanitary and water line work. The northbound right turn lane and the southbound passing blister will be closed and is estimated to reopen by Friday, March 31.

126TH STREET

On Wednesday, March 29, storm structure repairs will be taking place on the roundabout at 126th Street and Lantern Road. All lanes will remain open. Use caution driving through this area.

131ST STREET

Comcast is currently doing utility work on 131st Street from Howe Road to Promise Road then north on Promise Road to 141st Street. Lane restrictions will be in place between 9 a.m. and 3 p.m.

PROJECTS SOUTH OF 116TH STREET

106TH STREET & HOOSIER ROAD

Utility relocation is currently taking place at 106th Street and Hoosier Road as part of the roundabout project. For additional project information, view the Capital Project Dashboard [here](#).

CUMBERLAND ROAD

There will be daily lane restrictions between 9 a.m. and 3:30 p.m. on Cumberland Road between 106th Street and 116th Street through for tree clearing as part of the Cumberland Road Reconstruction project. There may be times when a short-term full road closure will be needed. Finding an alternate route is recommended during this time. For additional project information, view the Capital Project Dashboard [here](#).

FALL CREEK ROAD

Citizens Energy Group is mobilizing the lift station on Fall Creek Road near Geist Woods Way, resulting in the closure of Fall Creek Trail in the area until the project is complete in August.

GEIST GREENWAY

Construction of the boardwalk is currently taking place as part of the Geist Greenway Project. When material is brought in for fill sections, there will be an increase in construction traffic on Valley Crossing Drive. Traffic will be briefly stopped as trucks are entering and exiting the road. For general project information, please visit <https://www.playfishers.com/299/Geist-Greenway>.

2023 RESURFACING PROJECT

Beginning on Monday, March 27, ADA ramp and curb reconstruction will be taking place in **Rolling Knoll** as part of the 2023 Resurfacing Project. Homeowners will be notified via door hangers prior to any curb reconstruction near their home. After ADA ramp and curb reconstruction is completed, those areas will be restored with topsoil and seed. It is the responsibility of the homeowner to water the seed for the seed to germinate. Prior to road resurfacing, residents will be notified via street signage for street parking restrictions. For additional project information, view the Capital Project Dashboard [here](#).

DEVELOPMENT DASHBOARD

The Planning & Zoning Department has a new Development Dashboard where you can view all development projects that are under construction or in the process of being reviewed. This is viewable on the Planning & Zoning Homepage [here](#).
