

ROAD NOTICE UPDATES FOR THE WEEK OF JUNE 29

STATE ROAD 37 IMPROVEMENT PROJECT

126th Street west of SR 37 is currently closed and is anticipated to reopen in July. During this time, cross access and all left turns will be restricted, with only right in and right out until this phase ends. Traffic on Southbound SR 37 will shift to the Northbound lanes and two lanes will remain in each direction. Local access to businesses will remain open via Lantern Road. The official detour route will direct drivers to use 116th Street or 131st Street to Allisonville Road. Detour route markers and advance warning signs will be in place prior to the closure.

For a map of the detours, click [here](#). Please drive with caution through this area. To learn more about the State Road 37 Improvement Project and sign up to receive text updates, visit 37Thrives.com.

96TH STREET

96th Street east of the Sargent Road roundabout to Cumberland Road is currently closed and is anticipated to reopen in early November. During this time, the bridge over Mud Creek will be replaced with a widened structure and additional travel lanes will be added. The official detour route will direct drivers to use Cumberland Road to 106th Street. View the detour map [here](#).

116TH STREET

Beginning on Sunday, June 28 all eastbound lanes on 116th Street from Hoosier Road to Brooks School Road will be closed and is anticipated to reopen by Wednesday, July 1 while the Department of Public Works performs road repairs. The official detour route will direct drivers to use Hoosier Road to 126th Street to Brooks School Road. View the detour map [here](#).

146TH STREET

Hamilton County Project – Please be advised, effective on or after Thursday, June 25, between 6am and 10pm, Calumet will begin milling 146th Street starting at River Road. At River Road, both the eastbound and westbound lanes will be affected. Once they reach Cherry Tree Road, just the westbound lanes will be affected through Adios Pass. Milling is expected to end on Friday, June 26. Once milling has been completed, Calumet will then be paving until July 6. Motorists should expect rolling lane closures throughout the construction area during this time, where at least one lane of travel in each direction will be maintained.

SOUTH STREET

South Street is currently closed to through traffic between Fishers Center Drive and Lantern Road until early July. Access to businesses will be maintained.

LANTERN ROAD SOUTH OF 116TH STREET

Lantern Road, between Appel Drive and Birch Street, is closed to through traffic until early July. Access for local traffic will be maintained. The detour route will be 116th Street down Hague Road to 106th Street. Check out the project [fact sheet](#) to learn more.

AUBURN SPRINGS SUBDIVISION

ADA ramp reconstruction and road resurfacing is currently taking place and is anticipated to be completed by the end of June.

FISHERS CONNECT APP

The new Fishers Connect app offers a one-stop-shop for your City of Fishers services. Broken street light? Pothole in the road? Fallen tree limbs in the street? We are here to help. The free app provides an easy way for you to report non-emergency issues within the community related to City maintained roadways, street signs, water, sewer, street lights, and park infrastructure elements. The app also provides quick links to city information and forms related to city services. Download the app today in the App Store or on Google play.

While this list encompasses numerous project updates, it does not list all DPW projects throughout the city. The most recent projects are detailed, however please keep in mind that all construction activities are weather permitting. We appreciate motorists' patience and caution while driving through construction sites.
