

We would like to remind all of Fishers residents to protect themselves and their property at all times. Nothing is more important than your safety, the safety of your family, and your home.

We are using this program to promote personal safety tips and to give you advice on how to protect your property. Please review the safety tips in this brochure. If you have any questions, please contact the Fishers Police Department.

Fishers Police Department

Each year the Fishers Police Department (FPD) investigates thefts from vehicles in our community. These safety tips are offered by FPD to help reduce the chance that you will become a victim of a crime.

The Lock it, Hide it, Keep it program encourages everyone to be proactive in locking your vehicle and hiding your valuables in order to safe guard your property. We encourage any information regarding thefts from vehicles to be submitted to the number below. When we work together, we make the City of Fishers a safer place to live, work, and visit.
