

“THE EDGE” PUBLIC ART PROJECT

CITY OF FISHERS & FISHERS URBAN DEVELOPMENT

THE VISION

The City of Fishers vision is for a smart, entrepreneurial, vibrant city that provides an exceptional quality of life and fosters a culture of innovation and resiliency.

COMMUNITY ARTS MASTER PLAN

- In 2014, the City approved the Fishers Community Arts Master Plan
- The Plan encourages public art particularly in the Nickel Plate District and along trails
- It establishes a process for selecting which public art projects will be pursued
